

BURNHAM MARKET PARISH COUNCIL

Poster & Flyer Policy in Burnham Market

Any person or organisation wishing to advertise an event or service within the village on our street furniture, telegraph poles or signposts, must have the express permission of the Parish Council.

As a general policy guideline, this will normally only be given to one off events held within the village. We would ask you to respect this policy.

All posters or flyers put up without permission will be removed and destroyed.

Caroline Boyden
Parish Clerk
Burnham Market Parish Council
