Section 3 – External Auditor Report and Certificate 2020/21

In respect of

BURNHAM MARKET PARISH COUNCIL – NO0080

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2020/21

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- Please note that Box 4 should comprise payments made in relation to the employment of staff including only gross salary, employers' national insurance contributions, employers' pension contributions, gratuities for employees or former employees and severance or terminations payments to employees. Employment expenses which are benefits (mileage, travel, etc.) and items of reimbursement of expenses for postage, stationery or other outlays made on behalf of the smaller authority are not staff costs for the purpose of completion of the AGAR in accordance with proper practice. The Joint Panel on Accountability and Governance Practitioners' Guide issued March 2020 requires staff costs to be classified in this way and for the prior year comparative figures to be restated on a consistent basis. It was clear from the information provided that locum staff costs had been included in Box 4.

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2021/22 for the exercise of public rights, since the notice regarding the period for the exercise of public rights was not published before the start of the period/correct information was not published on a website as well as a noticeboard. As a result, the smaller authority must answer 'No' to Assertion 4 of the Annual Governance Statement for 2021/22 and ensure that it makes proper provision for the exercise of public rights during 2022/23.

The smaller authority has not provided:

- an adequate numerical explanation for the variance between the prior and current year values in Box 4 of Section 2

3 External auditor certificate 2020/21

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2021.
